CERTIFICATION IN SUPPORT
OF VERIFIED COMPLAINT

⁴As specified in the Verified Complaint, the true identity of the client will be provided to the Board and made known to the respondent.

an incident report containing a detailed narrative summary of the allegations and transcripts of two conversations between Sally S. and respondent which were electronically recorded under the supervision of the police department.

4. I have obtained and reviewed the expert report of Dr. Kathryn Hall, a New Jersey licensed psychologist.

5. I have obtained and reviewed correspondence, contained in the records of the Woodbury Police Department, which confirms that Sally S. was under the treatment of respondent.

6. I have obtained and reviewed the medical records of Dr. Martin Weisberg, a former treating physician of Sally S., which records verify that she suffered from the condition of vaginismus for which she sought treatment from respondent.

7. I am fully familiar with the contents of the Verified Complaint in this matter as well as the contents of the Attorney General's investigative file. The allegations are true to the best of my knowledge, information and belief. The source of my information and the grounds for my belief are the documents contained in the records of the Woodbury Police Department and the expert opinion of Dr. Hall. The conduct detailed in those documents and in that expert opinion constitutes alleged violations of Board statutes and regulations.

I understand that if any of the foregoing is wilfully false, I am subject to punishment.

Jeri L. Warhaftig
Deputy Attorney General
